Re: Premature Abandonment of U.S. Appl. No. 10/729,446

Dear Examiner Asinovsky,

In follow up to our conversations, we have now obtained the Application number (Serial No. 11/725,447) for the continuation application for the aforementioned parent application. That continuation application was timely filed on March 24, 2007. This filing information was obtained yesterday afternoon by my secretary Elaine Barnett, using the Express Mailing Number associated with the filing of the continuation application (EQ 190572055 US). See *Exhibit 1 (Express Mailing Information)*.

Again, pursuant to the USPTO rules, Applicants have two (2) months from the date of the Board of Patent Appeals and Interferences decision to take further action, including but not limited to filing a continuation application. The Board's decision has a mailing date of January 26, 2007. See *Exhibit 2 (Page 1 of Board's Decision and PAIR Transaction History)*.

Unbeknownst to Applicants, before that period expired you entered a Notice of Abandonment – this was premature and in contravention of the rules. See *Exhibit 3 (Notice of Abandonment)*. However, this Notice was not received by Applicants until March 26, 2007.

Thus, please withdraw your Notice of Abandonment as soon as possible – or take whatever other action is necessary to ensure Applicants' filing date of March 24, 2007 is maintained for Application Serial No. 11/725,447. Further, please confirm that you will be withdrawing the Notice of Abandonment (or taking other appropriate action), preferably in writing by April 16, 2007.

I will follow-up with a phone call to you this afternoon.

Thank you for your attention in this matter.

April 13, 2007
